VCOS BH&H class in Salem, Oregon 2009

Beyond Hoses & Helmets is an absolute must for any volunteer or combination fire service leader! After 35 years in the volunteer fire service, I have had the opportunity to participate in many different leadership and motivational courses but BH&H ranks among the very best. If a fire chief has the desire to take his/her department to the next level, it will be the best 16 hours they could spend. I give it 5 stars!
-Fire Chief Spruce A. McRee, Brierfield (AL) Vol Fire & Rescue

This training is provided on behalf of the Volunteer Workforce Solutions program, a partnership between the Virginia Fire Chiefs Association and the International Association of Fire Chiefs. It is funded by a DHS/FEMA Staffing for Adequate Fire and Emergency Response (SAFER) grant. Pierce Manufacturing support allows the Beyond Hoses and Helmets course to be delivered nationwide.
